How to make a car insurance claim

1. Stay safe first

- If you can, move the car off the road.
- Get out of the car and stand a safe distance away.
- Switch on your hazard lights.

2. Pick the right route for your claim

- **Breakdown:** call RAC on 0800 003 001 with your registration or postcode. RAC can help even without breakdown cover, but you will pay. Breakdowns do not affect your no claims discount.
- **Windscreen or window damage only:** call Autoglass on 0345 677 8888 or book online, with your registration or policy number. This does not affect your no claims discount.
- **Sunroof damage:** contact the claims line, not Autoglass.
- **Lost or stolen keys with Key Cover:** call Keycare on 0345 366 0228 within 45 days. Without Key Cover, contact the claims line within 24 hours.
- **Serious incidents:** phone the claims line on 0345 677 3377 if three or more vehicles were involved, or a motorcycle, caravan, trailer, cyclist or pedestrian, if your car is blocking a road or path, or if you feel unsafe.
- **All other incidents:** claim online, or call 0345 677 3377.

3. Finishing your claim

If you started your claim by phone, you need to finish it by phone on 0345 677 3377. The claims line is open 24 hours a day.

4. What happens next

- The insurer, Tesco Underwriting Ltd, handles the claim.
- Repairs to your car are arranged for you.
- You will be told whether you can have a courtesy car. Bronze and Silver include a small courtesy car; Gold includes one similar in size to your own.
- If your car cannot be repaired, you are paid its market value.
- The insurer deals with any other parties involved.
- You may need to pay your excess, shown in your policy schedule.
